

**MEMORANDUM**

**TO:** Richard F. Weeks

**FROM:** James E. Sydnor   
Acting Director, Air Division

**SUBJECT:** Annual Air Permitting Report for FY 2005

**DATE:** June 27, 2006

**COPIES:** Tamera Thompson, Air Permit Managers

Please find attached a copy of the Annual Report for Calendar Year 2005 prepared by the Office of Air Permit Programs. This is the third annual report.

This report is intended to inform Executive Management, Department Staff and the public of air permitting activities.

The report summarizes DEQ's air permitting program and its activities for CY 2005, including the number and types of permit actions. The report analyzes activities across different categories of air permits administered by DEQ, including Title V, minor New Source Review, major New Source Review (nonattainment and Prevention of Significant Deterioration), State operating Permits, Title IV Acid Rain Operating Permits, and General Permits (under minor NSR regulations). The report discusses issues that have affected air permitting this past year as well as issues and challenges for CY 2006 and beyond.

Please let me know if you have any questions about this report or contact the Office of Air Permitting Programs.
